EXPERIENCE

Freelance Web Developer
2023-PRESENT

Created and managed a portfolio website showcasing my skills and projects. Designed a responsive layout, implemented custom features, and ensured timely updates and maintenance.

Freelance Web developer
2020-2023

Currently working on three major projects: an e-commerce dashboard, a finance manager application, and a custom portfolio site. Designing and developing user-friendly interfaces and functionalities, managing project lifecycles, and ensuring timely progress and delivery.

SKILLS

- HTML, CSS, JavaScript
- React, Vite
- Full-stack development
- Responsive design
- Version control (Git)
- Problem-solving
- Communication and collaboration
